In response to the Office Action mailed 6/18/2002, please enter and consider the following amendments and arguments for the above captioned patent application.

IN THE CLAIMS

Please amend Claims 1, 8, 9, 15, 24, and 35 as follows:

- Sub E1
1. (Twice amended) A method of communicating broadcast information comprising the steps of:
- a) causing a server to communicate a first stream representing digital broadcast information to a first user device wherein said server and said first user device are coupled to the Internet;
 - b) causing said server to communicate a second stream representing said broadcast information to a second user device wherein said second user device is coupled to the Internet;
- D1
